This project aims to involve more people with a **learning disability** in the life of their local community.

We want to learn about your experience of living in Gorseinon.  
**For example;**

- **Is your Library accessible?**
- **How is the transport?**
- **What is your GP like?**

If you have a learning disability or are the carer of someone who does, **let us know** about your experience of local services by contacting us on **07496189771** or go on our website.
